

I am among you as one who serves... ~snasf

How iSERVE works:

go online!
willowbendchurch.org/iSERVE

iSERVE is not an interest survey ... it is a response of commitment to God and your church family.

FIRST, pray. Prayerfully spend time reflecting on your journey of faith and ask yourself the following questions:

- ◆ What spiritual gifts has God given me?
- ◆ What do I love to do?
- ◆ What natural talents do I have? What skills have I learned?
- ◆ How might my personality and temperament be best used in ministry?
- ◆ What past experiences might help me better understand how God is preparing me for ministry today?

SECOND, read. Take a few minutes to read the entire guide—without making any marks—so you can take in all the possible areas to serve.

- ◆ Go online (www.willowbendchurch.org/iSERVE) for additional information, like:
 - * a brief description of each ministry role, and contact information for each ministry leader
 - * additional resources to help you prayerfully process through where God might have you serve this year

◆ If you have a question or need clarification, please don't hesitate to contact a ministry leader. That's why they're here.

◆ **THIRD, be open.** As you go back and read each serving opportunity, mark ANY that interest you with an X.

- ◆ Maybe you know exactly where God wants you to serve this year... maybe you don't. Either way, be open to His leading as He may have something unexpected planned for you. After you have them all marked, start to whittle them down. Here are some questions:
 - * Have I ever done this before? If so, what was my experience? If not, what experience is required?
 - * Are there opportunities for me to experience this role before February 28th? (contact the ministry leader to find out)
 - * Do the days, frequencies and time requirements for this role work with my schedule?
 - * Do any of these roles conflict or overlap with one another? If so, which one(s) might be a better fit?
 - * Am I trying to do too much and running the risk of losing the joy of serving?
 - * Am I considering more than one leadership role? (we strongly recommend you lead in only one ministry)
- ◆ Remember... though this is only a one-year commitment, it still is a *one-year commitment*.

◆ **FINALLY, complete.** Be sure to complete both sides of the response card with ALL requested information. Then, bring **your response card to worship on Sunday, February 28th**, as we continue the celebration of God's work in and through our church family. If you won't be here that Sunday (or you're afraid you'll forget it), feel free to place it in the offering any time before February 28th.

2010 iSERVE | myresponse, part 2

It is possible that . . .

- ♦ **...more people than anticipated feel led to serve in a specific ministry role.** If this happens, the ministry leader over that area will contact each individual to pray and seek God's direction.
- ♦ **...you want to serve in a way that is not listed in the guide.** Don't let this keep you from sharing your idea! You may be the person God is using to add a new dynamic to wb's overall ministry. So, if this is you, please share your idea with us below...
